

# **ACTOR/DIRECTORS THE SUPERHERO SHOW**

**Elise Thayn**

Elise has worked professionally as a performer and teaching artist for the last three years. This is her second time touring with Dakota Players, and she is thrilled to return.

To Elise, art and performance are intrinsically and undeniably human. She believes that kindness and connection — both to others and to oneself — are the most important parts of the things we create.

**Kaci Kneeland**

Kaci is thrilled to be working with Dakota Players for the first time in The Superhero Show!

A Massachusetts native, Kaci just graduated from the University of New Hampshire this past May, where some of her roles included Gladys Winthrop in *Factory Girls: A New Musical*, and Audrey in *As You Like It*. Most recently she was seen at Blue Gate Musicals as a swing for *When Calls the Heart*. Other past roles include Zaneeta Shinn in *The Music Man*, and Rose Smith in *Meet Me in St. Louis*.

She gives all her love to her family and friends who always have supported her. @kckneeland
