

ACTOR/DIRECTORS ON THE ROAD TO BREMEN TOWN

Abbie Brown

Abbie Brown is delighted to join The Dakota Players! Originally from rural Texas, Abbie earned her BFA in musical theatre from Long Island University Post and is so excited to bring the joy of theatre to places far from the lights of Broadway. A Shakespeare, tea, and hiking enthusiast, she loves exploring the world and sharing it with others through art. All glory to God!

Krista Wander

Krista Wander is a performer from Buffalo with a passion for storytelling! Last year, she earned her BFA in theatre performance, finishing with a 4.0 GPA and a director position at the Boys and Girls Club! Krista has been developing young performers' skill sets since the age of 13 when she was asked to become a teacher at her dance studio. She truly looks forward to serving the communities of South Dakota and the students who thrive in them!
